Sayville Yacht Club is located at Lat 40° 44'00" N, Long 73° 02'07" W, in Blue Point New York. SYC was established in 1901 by a south shore group from Seawanhaka Corinthian Yacht Club. The large sand beach affords facile dinghy launching and retrieval. A basin, dry sail area and 2 ton hoist accommodate the keel boat and auxiliary fleets. Prevailing summer wind is a southwest breeze typically strengthening throughout the day.

At The SYC

In addition to a sailing tradition the SYC is equally proud of its hospitality. Sailors should feel free to avail themselves of club amenities. Cash is accepted at the bar and snack bar. No formal dress code exists.
